

QUALITY POLICY

DCS WA is a business that specialises in Electrical Services feasibility, design, installation and servicing for Industrial, Commercial and Institutional projects. With a highly skilled and experienced team of friendly and professional staff, fully equipped vehicles and a commitment to training and safety, DCSwa has built strong long-term relations with some of Australia's most recognised businesses

DCS WA is dedicated to understanding our customer's needs and delivering a quality service that meets their expectations and contract specifications.

DCS WA will always comply with relevant legislative requirements and industry codes.

The Company embraces best practice to ensure a quality service while operating in a safe workplace with minimal impact on the environment. Specific company objectives and targets are planned and regularly reviewed.

Management is dedicated to the philosophy of continual improvement. To support this philosophy **DCS WA** has developed and implemented a HSEQ Management Manual addressing workplace safety environmental and quality issues.

The HSEQ Management Manual is embraced by management and workers alike. Induction training of new workers ensures they are trained in the System as they join the Company.

All workers are responsible for the quality of their own work but are supported by Supervisors and documented procedures, where required.

Management fully endorses this Quality Policy and the HSEQ Management Manual that has been implemented.
